WCB Claims - 2018 YTD

Injury Lost Time - 2018/19 YTD

Property & Equipment - 2018/19 YTD

Status = On Track

(5 out of 12 months)

Path to Success

1. Develop a safety first attitude.
2. Plan the activities and follow the plan.
3. Use "Take 10" tool to identify hazards and have control in place prior to starting the task.
4. Take the time necessary to complete the job safely and ask for help if needed.
5. Look out for yourself and others.

Status = On Track

(2 out of 12 months)

Path to Success

The goal is to return employees to work during the recovery period as soon as safely possible to their regular or modified duties.

Accommodated work is available for most injury's.

Status = On Track

(2 out of 12 months)

Path to Success

Focus on backing up and contact incidents.

- Complete a walk around your unit before moving. (360 walk around)
- Use a spotter as needed.
- Ensure overhead doors are fully open.
- Ensure box is down
- Ensure overhead line clearance is appropriate.

Following the Preventive Maintenance plan will reduce unplanned equipment failures.
